## 2014 Fullcourt Press Spring League: Report I

(March 3, 2014)

The **2014 Fullcourt Press Spring League** tipped-off last Sunday (March 2<sup>nd</sup>) at Cabrillo High School (Long Beach CA). This year's league consists of 8 individual ("Select") teams as well as 12 club ("Elite") squads such as Belmont Shore, Pangos Elite, Compton Magic and Inland.

While we are still waiting for several of the league's expected players to finish their HS seasons and join the league, listed below are a few of the standouts from the league's opening Sunday.

**LaRond Williams**  
(Long Beach CA)

**6'8" 2015 St. Anthony**

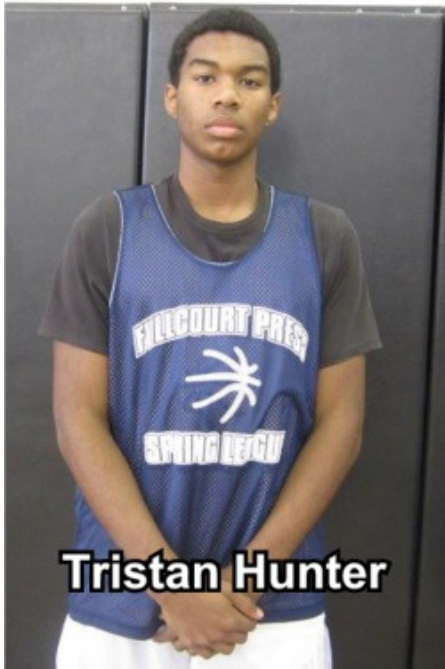

Long and active PF can finish well on the block and is a terrific rebounder and rim-protector. If he can continue to connect on perimeter jump shots like he did on Sunday he may very well move from mid-major to high major status come July.

**Jonathan Ross**  
(Long Beach CA)

**6'8" 2015 St. Anthony**

Young big with tons of potential runs very well and was active in the paint here – finishing high above the rim when he got his hands on the rock inside. Underrated post passer and defender. Prime MM target.

**Tristan Hunter**  
(Imperial CA)

**6'2" 2015 Imperial**

Crafty combo-guard can knock down jump shots with regularity as well as finish at the cup.

**Sequan Walker**  
(Beach CA)

**6'2" 2015 Cabrillo (Long**

Smooth shooting off-guard is quickly becoming a better ballhandler and passer. Improving defender too. Wyoming and Pepperdine showing interest.

**Vittorio Reynoso-Avila**  
(Mirada CA)

**6'5" 2016 La Mirada (La**

Long and active young WF has a soft shooting touch and attacks the basket with authority. Off the charts student (4.6 GPA/honors classes) should be a prime Ivy League target.

**Antonio Singleton**  
(Beach CA)

**6'4" 2014 Cabrillo (Long**

Strong wing put points on the board *via* either his nice perimeter stroke or his physical drives to the cup.

**Spencer Freedman**  
CA

**5'11" 2018 Pacific Palisades**

High basketball IQ floor general is a 3-point "flame-thrower" CBS Sports Network analyst and former NBA player Wally Szczerbiak would love. Very underrated ballhandler and passer too.

**Christian Berry**  
(Stevenson Ranch CA)

**6'3" 2014 West Ranch**

Slashing scoring WG is quick off the bounce.

**Harrison Butler**

**6'3" 2018 Huntington Beach CA**

Son of former Ocean View/UC-Irvine star forward Ricky Butler is an emerging young talent in his own right. Strong and physical wing has an accurate perimeter stroke.

**Kevin Dinges**

**6'5" 2015 Crescenta Valley (La Crescenta CA)**

Sharp-shooting wing with excellent academics has grown 2 inches since last summer.

**Jerry Anthony**

**6'0" 2014 Crenshaw (Los Angeles CA)**

Quick lead guard can score off the bounce and is a pesky defender.

**Brian Enriquez**

**6'3" 2014 La Mirada (La Mirada CA)**

Heady senior combo-guard is a legitimate 3-point threat.

**Riley Battin**

**6'7" 2018 Westlake CA**

Brian Scalabrine-*type* power forward plays with great energy and has range to the 3-point line.
