## Point guard Spencer Freedman commits to Harvard

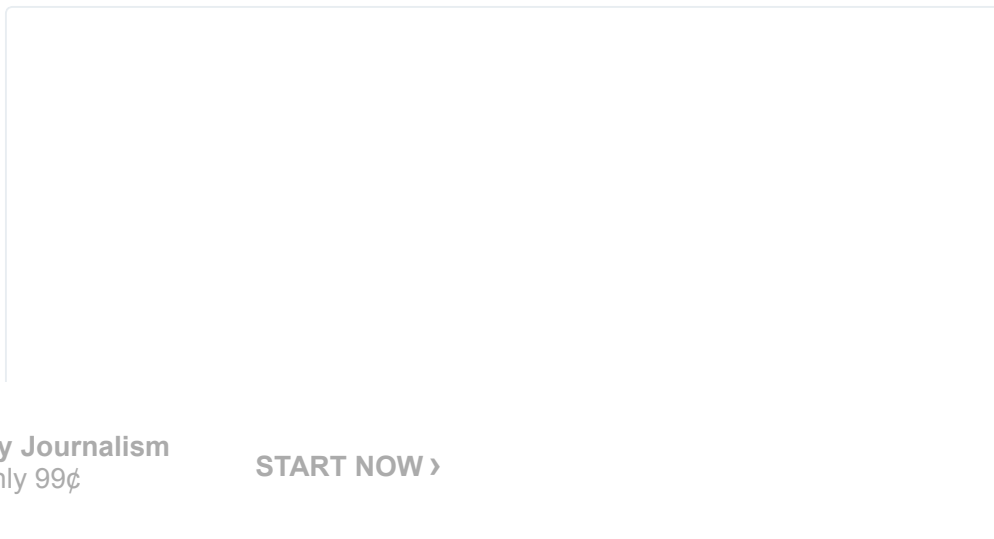

Eric Sondheimer

Standout point guard Spencer Freedman of Santa Ana Mater Dei is headed to Harvard.

Freedman, the Trinity League player of the year as a junior, has terrific grades and a great understanding of how to get other players involved in the offense. He looks like a perfect player for Harvard.

He will be teaming with 7-foot-2 Bol Bol during the winter at Mater Dei, which figures to be the No. 1-ranked team in Southern California preseason rankings.
